

## Helpful agencies

Here are a few local agencies you may find helpful to address your specific concerns

### The Parenting Center

The Parenting Center at Children's Hospital provides classes throughout the year to support parents and provide information during all stages of children's development. Visit their [website](#) for a list of available classes and get information about other activities and programs in the city!

### Project Fleur-de-lis

Project Fleur-de-lis™ is a program of **Mercy Family Center**, which is a school-based mental health program, designed to provide long-term care and recovery for children and their families. It began as a project to bring healing in the aftermath of Hurricane Katrina. Their mission is to empower students, teachers, and parents of New Orleans to recover, renew, and restore in order to provide healing throughout our community.

Immaculate Conception School has partnered with Project Fleur-de-lis to provide access to additional resources to meet the emotional and academic needs of children and their families. Visit their [website](#) or contact Stacey Davis for further information.
