

Immaculate Conception Parent Teacher Organization

The ICS PTO welcomes all parents to get involved, and contribute to making ICS the best it can be for our students! The PTO leads fundraising efforts, organizes volunteers for school events, and assists the administration with running all of the "extras" that we love at Immaculate Conception.

All parents involved with the PTO have an opportunity to make an impact on their child's school experience! We know our teachers do a great job with their education. The PTO helps round it off by contributing to financial stability, social development, and family involvement. PTO needs YOU!...

The Parent Teacher organization meets four times per year. These meetings offer a great opportunity to get plugged in to what ICS is doing, how we're growing, and how the parents can help. Any parent who attends all four meetings and volunteers 15 hours to ICS and PTO functions* is entered into a drawing for **four One-Month TUITIONS** and **two ½-Month TUITIONS** for the following school year! Additional hours can earn additional entries! PTO provides other benefits, including **dress down days** for families who attend meetings, **door prizes** at PTO events, ways to **connect** with other parents and the school administration, and most importantly, the opportunity to **make a difference** at ICS. Please complete the form below, and return to the school office or to your child's teacher. We'll contact you with more information about the event(s) you are able to volunteer for.

Volunteer Opportunities	Schedule	Help Wanted	Hours Available (approximate)	Hours You Can Volunteer
